10. Arrive at NASA Langley Badge & Pass Office

Route: 12.0 miles, 18 minutes

You will **not** need to stop at the Badge and Pass/Visitor Registration Office building when you arrive on your first morning. Report directly to the Security Guard at Main Gate and inform them that you have a visitor's badge waiting. You will need to show the Guard your two forms of identification (identified on your I-9 form).

Report promptly at 8:00 a.m. to the Office of Human Capital Management (OHCM), located at 5 Langley Boulevard, Headquarters Building 2101, Room 150 (1st floor - enter through room 129).

After entering the main gate, continue straight on Langley Boulevard. Turn left at the second street (West Walcott). We are located in the three story glass building. Available parking highlighted in pink, on the above map.
